A fresh start, wherever you go.

A simple guide to preparing your first smoothie.

Quick start

01 Add liquid first, then small pieces of fruit.

02 Secure the lid before starting.

03 Press the control on the motor base to begin.

Know your portable blender.

Product specifications

Cup capacity	**500 ml**
Charging connector	**USB-C**
Finish	**Sage green**
Components	**Cup · lid · motor base**

Capacity describes the removable blending cup.

Care for the cup. Protect the base.

Keep your blender ready for the next recipe.

After use

01 Detach and rinse the cup after use.

02 Keep the motor base out of water.

> The removable cup and motor base have different cleaning requirements.
